  - Technology Coordination Office

Advanced Polymers Business Domain
- Performance Polymers Div.
  - Performance Polymers Dept.
  - Soarnol Dept.
  - Global Business Office
- Engineering Polymers Div.
  - Phenol & Polycarbonate Dept.
  - PBT Office
  - New Engineering Plastics Business Development Office
- Sustainable Resources Div.
  - Sustainable Polymers Dept.
  - Gohsenol Dept.
- Advanced Polymers Planning Dept.
  - Planning Office
  - Technology Coordination Office

High Performance Chemicals Business Domain
- Performance Chemicals Technology Dept.
  - QA・RC Promotion Office
  - Production Management Office
  - Technology Development Office
- Performance Chemicals Business Div.
  - Business Plannning Office
  - Coating Material Dept.
  - Specialty Chemicals Dept.
  - Performance Additives Dept.
  - Fine Chemicals Dept.
- Food Business Div.
  - Food Business Dept.
- High Performance Chemicals Planning Dept.

Information, Electronics & Display Business Domain
- Films Div.
  - Polyester Film Dept.
  - Polyester Converted Film Dept.
  - Polyester Film R&D Center
  - Acetyl Film Dept.
- Semiconductor Div.
  - Global Strategy Office
  - Semiconductor Materials Dept.
  - Semiconductor Solution Dept.
- Electronics & Display Div.
  - Display Materials Dept.
  - Imaging Materials Dept.
  - Display Films Dept.
- Information, Electronics & Display Planning Dept.
  - Planning Office
  - Technology Coordination Office

High Performance Films Business Domain
- Packaging Films Div.
  - Food Packaging Dept.
- Industrial Films Div.
