

Mitsubishi Chemical Holdings Corporation
has been reborn as
the **Mitsubishi Chemical Group Corporation**,
effective July 2022.

Under the new management policy, “Forging the future,”
the Mitsubishi Chemical Group shifted to an integrated
management structure, operating with greater efficiency
as “One Company, One Team.”

Everyone in the Group will unite and work together to leverage
our strengths and seize opportunities to expand our business.

We will continue to strongly promote innovation to forge the future.

Mission

We create innovative solutions globally based
on our core values of Sustainability, Health,
and Comfort, striving for the well-being of people,
society and our planet Earth.

Vision

Realizing KAITEKI

Value

Sustainability, Health, Comfort
